Mr. O. W. Strickland, Head

Division of Health Service
Post Office Box 2091

Dear Mr. Strickland:

Our Company requests the following change in its classification under RCRA
(check all that apply):

<u>Add As</u>	<u>Delete As</u>	
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Generator
<input type="checkbox"/>	<input type="checkbox"/>	Transporter
<input type="checkbox"/>	<input type="checkbox"/>	Treater
<input type="checkbox"/>	<input type="checkbox"/>	Storer
<input type="checkbox"/>	<input type="checkbox"/>	Disposer
<input type="checkbox"/>	<input type="checkbox"/>	Small Generator

The reason for this request is:

The dry cleaning process has been discontinued and there are no other waste streams. Underground waste and raw material tanks have been removed from premises. Soil samples taken from ground under tanks (Andy's attached)

NOTES: 1) Be specific. Give all pertinent information. This may be a change in your process; a change in your handling procedures; new analyses, or the like.

2) This is not a delisting petition with respect to a listed waste.

- 3) If you are requesting deletion as a treater, storer, or disposer, our branch will immediately institute steps to terminate your interim status. The termination process will include a public notice in your local paper to the effect that interim status has been terminated for this plant. Thus, in this case we must insist that your request be signed by a major corporate officer.
- 4) If this request involves small generator status, it must include an accurate statement of your present and anticipated waste generation. This is necessary because changes in the small generator definition are expected. (Attach an additional sheet.)

If your request would remove your plant from the regulated system, but you wish to retain an EPA ID Number, please give your reasons.

I understand that my company must supply information about any changes in its operations which might change its status again to our office on its own initiative.

I certify that the information supplied is accurate and correct to the best of my knowledge and belief.

I am authorized to make this request on behalf of my company at the location give. (Refer again to notes 3 and 4 before signing.)
